

Thank you

**For your continued support
of The Endowment Fund**

Your donation will leave a lasting legacy. It will help Saint Thomas retain “Best-In-Class” status as a Catholic Educational Institution. As we continue to invest in our state-of-the-art educational program and facilities, your financial support to the Endowment Fund will build a permanent source of funds to help educate many generations of children in the Catholic faith for years to come.

You will make a positive difference in the lives of many.

We thank you in advance for your continued support.

Saint Thomas Launches The School Endowment Fund

St. Thomas the Apostle School is a parish supported Catholic School. The parents, staff, and parish community are committed to providing students with a quality education emphasizing spiritual growth, academic excellence, and community service.

St. Thomas the Apostle School strives to remain the preeminent educational choice in Western Delaware County. Catholic education needs financial stability achieved through modern means. To guarantee success, St. Thomas has established an endowment fund specifically to support the school and its goals.

A permanent funding source for St. Thomas the Apostle School

While other fundraising initiatives seek to supplement the annual operating revenue on a year-by-year basis, the endowment fund seeks to create a permanent financial asset. Because of its permanent nature, it will be managed with the objective of producing an ongoing stream of investment income to fund a portion of the school's operating and capital budget. In addition, the fund could potentially serve as an important safety net to help preserve St. Thomas in the event of a future, unforeseen financial hardship.

Our Target: \$1,000,000

Making a difference for our students

100% of all contributions support our school. That means that your full contribution directly benefits our children. We believe that the St. Thomas the Apostle School Endowment Fund will enable each student to develop their talents and abilities because of our commitment, as a community, to St. Thomas the Apostle School.

As our fund grows, we plan to:

- † Strengthen our core academic programs in math and reading
- † Maintain and obtain leading edge technology and equipment
- † Offer tuition relief
- † Maintain and improve the building and facilities
- † Provide benefits and resources to attract the best teachers
- † Broaden the curriculum with additional language programs
